Pioneered and instructed by  
Australian Artist-Philosopher  
**Kim S. MacKenzie (PhD)**

Kim has used soft pastels on cotton paper for over 25 years to create a large body of highly original semi-abstract art works that invite deep reflection of complex phenomena.

Kim is a champion for the 'liberation of the female philosopher' through the recognition, development and legitimisation of the THREE 'I's'- INSPIRATION, IMAGINATION and INTUITION.
